Thank You!

Today would not be possible without YOU. Big or small, your contributions to the anniversary are greatly appreciated. This celebration of God's Grace has been in the works for the last two years. Everything that happens today is because of your generosity. You responded with vigor, showing your love for your Lord and His church. Your planning committee thanks you. Enjoy the day!

Historical Parade

It's that time of year again when we are getting ready for Peshtigo's Historical Day. We are planning on having an entry in the parade and we are asking for your help to have enough candy to hand out at the parade. You can drop off your donations in the office up until September 28th.
